Subject: Vladimir Putin's SHORTEST AND GREATEST SPEECH EVER....

Putin’s Speech on August 04, 2013. This is one time our elected leaders should pay attention to the advice of Vladimir Putin....

On August 04, 2013, Vladimir Putin, the Russian president, addressed the Duma, (Russian Parliament), and gave a speech about the

tensions with minorities in Russia :

"In Russia we live like Russians. Any minority, from anywhere, if it wants to live in Russia, to work and eat in Russia, should speak Russian, and should respect the Russian laws. If they prefer Sharia Law, and live the life of Muslim's then we advise them to go to those places where that's the state law.

"Russia does not need Muslim minorities. Minorities need Russia , and we will not grant them special privileges, or try to change our laws to fit their desires, no matter how loud they yell 'discrimination'.

"We will not tolerate disrespect of our Russian culture. We better learn from the suicides of America , England , Holland and France, if we are to survive as a nation. The Muslims are taking over those countries but they will not take over Russia .

"The Russian customs and traditions are not compatible with the lack of culture or the

primitive ways of Sharia Law and the Muslims. When this honorable legislative body thinks of creating new laws, it should have in mind the Russian national interest first, observing that the Muslims Minorities Are Not Russians".

The politicians in the Duma gave Putin a five minute standing ovation.

If you keep this to yourself, you are part of the problem!

It is a sad day when a Communist makes more sense than Barack Hussein Obama..... but here it is!!!!
